To all principals: schedule a fun filled, educational presentation at the Louisiana State Exhibit Museum about Charlie Bob's trip from the swamps in South Louisiana to his home in the museum's patio pool. The story will be read and acted out by a costumed Junior League of Shreveport, Inc. volunteer, giving the students an opportunity to learn that they can enjoy a reptile and, at the same time, respect its environment. Make your reservations today.

The Louisiana State Exhibit Museum is an agency of the Department of State, Fox McKeithen, Secretary of State, and the Administrator of the Museum is Forrest Dunn. The building is handicap accessible, and parking is provided.

**There is no charge for the program**
